To whom it may concern,

We have the pleasure to employ and work with Andrea Thiella for one year. He has asked us for a Reference Letter, and we are very happy to do it.

He was employed as Master in our SY SALVAJE from April 30th, 2023, to March 5th, 2024. He arrived at a rather delicate and complicated time for the yacht and the crew. He was able to handle it in a way I had never seen before with such professionalism which caught our attention amazingly specially with yacht's owner. He immediately adapted to the crew and vice versa. It allowed to breath a healthy, calm, and pleasant atmosphere on board.

He is a great asset to any yacht without no doubt. He was an essential piece for our 10 Years Survey with Lloyd's Register where he was involved. His professionalism and fantastic work made him very special among crew and management.

He has a very good technical/IT skills which makes management work easier.

Andrea good looks, sharp presentation and great mood coupled with his multilingual abilities and deck /sailing skills made him the best captain we have hired in 2 years.

Unfortunately, and from the depths of our hearts we had to say goodbye to him.

I highly recommend Andrea to next employer. If would have to hire him again I wouldn't last a second, it would be an honor and pleasure.

While we will sorely miss his professionalism, abundant energy, and cheerful demeanor, I know he as the potential to prove himself any large yacht.

We wish him all the best for the future, and we would like to thank for all work done with us.

Please feel free to contact me by email or my phone number for further information on Andrea Thiella solid performance.
