To Whom It May Concern

This letter is to confirm that captain Sergio Lottini has been employed in role as master of several vessels under management of Burgess, as follows :

- J'ADE (September 2014 to August 2019)
- ALTA VITA (September 2019 to October 2019)
- LADY MARINA (Feb 2020 until present)

Captain Lottini has brought a high level of professionalism and leadership to each of these commands, and is fully competent and capable in all aspects of the captains role, including onboard management of all crew, safety, technical, financial and compliance requirements

In addition captain Lottini has provided the highest levels of service to Owners and charter guests and has consistently received their praise and respect

At Burgess we feel confident to place captain Lottini on yachts within our fleet, safe in the knowledge that he will deliver exceptional results.

On a personal level, I would not hesitate to recommend captain Lottini to become a member of the Italian Yachtmasters Association, and I am confident that he will contribute to the success of this esteemed organisation

Yours sincerely
