A structure with modern architecture positioned on the Central Pier is home to the Yacht Club, the beating heart of the recreational, sporting and cultural activities of Marina di Loano that provides exclusive services for sailors starting with the guesthouse that offers maximum comfort for a truly relaxing stay. The guesthouse has four "junior suites" with a sea view and five rooms overlooking Marina di Loano all equipped with terraces, and provides superior level accommodation, elegance and attention to detail for every guest.

The well-being continues with the solarium with its enchanting view of the Italian Riviera: the pool together with the adjacent whirlpool provide for full relaxation all day long.

MARINABIKE: your E-Bike in Marina di Loano

MarinaBike is the E-Bike rental service in Marina di Loano that provides sailors and guests of the guesthouse with a fleet of pedal assisted bikes in three bike stations located around the marina. The service is active from 08.30 to 18.30 with the first hour free.

Marina di Loano provides hospitality and comfort for those arriving by sea as well as for their boats. Make the most of your stay with small and more complex work on your boat with a wide range of services specially dedicated to assisting boats from washing, carpentry, work and maintenance on systems and engines as well as interior restyling and new projects working with excellent naval designers. In the event of more complex work the port has a shipyard with two towing tanks that allow for the storage of boats from 6 to 50 metres outdoors and indoors, to carry out cleaning and repairs to hulls thanks to the presence of a self-propelled crane and a jib crane.

In addition there are clothing shops and those selling nautical products as well as lots of opportunities for crews to spend time trying different activities such as scuba diving, hiring diving equipment or a dinghy for a day on the sea.
